

You may wonder what exactly is included in a regular cleaning appointment. A regular cleaning service is designed to keep your home tidy and fresh, without requiring too much time or effort from you. ScottyK cleaners are trained and experienced to use high-quality equipment and products to ensure a thorough and satisfactory result. We can schedule your clean weekly, bi-weekly, monthly, or other time depending on your preference and budget.

Our Regular Cleaning Service is designed to help you save time, energy, and money, while enjoying a clean and comfortable home. Our Regular Cleaning Service schedule typically includes the following tasks:
